**MEMORANDUM FOR DIRECTOR, STRATEGIC INVESTMENT MANAGEMENT  
VETERANS HEALTH ADMINISTRATION**

**SUBJECT: Pacific Joint Information Technology Center (Pacific JITC) Quarterly In-Progress  
Reviews (IPRs); February 1 – 3, 2016, Kihei, Maui, Hawaii.**

On February 1 – 3, 2016, the Pacific JITC is hosting quarterly IPRs in Kihei, Maui, Hawaii at the Information Technology and Evaluation Center. On behalf of the Health Information Technology (HIT) Directorate, Dr. Rafael Richards is invited to attend the IPRs in support of the Veterans Affairs Veterans Health Information Systems and Technology Architecture (VA VISTA) Metadata Audit, Analytics, and Automation project. Dr. Richards is assigned as the VA Program Manager for this effort and his presence at the IPRs will allow him to meet with key stakeholders and review project scope, cost and schedule to ensure success of this joint VA/DoD research and test effort.
